

OBAMACARE DEMYSTIFIED

Your questions answered

The Affordable Care Act, aka Obamacare, is being implemented, slowly but surely. What does it mean for you, for your children, for your friends and colleagues? Will you benefit or suffer under this law? Will it mean affordable insurance or reduced Medicare benefits? Will there be enough doctors to meet the increased demand?

Come get all your questions answered by an expert! **Rene Mallow**, Deputy Director for Health Care Benefits and Eligibility (HCBE) for the California Department of Health Care Services (DHCS) will present the details of the Affordable Care Act, and will respond to our questions and issues. René has been with the California Department of Health Care Services (DHCS) since 1995, and has an impressive resume delineating her extensive experience.

In addition, to insure that your specific questions are answered, email them to aauw@aauw-sfv.org before Oct. 10, and Rene will come prepared with answers.

This is an incredible opportunity to learn about this monumental law, which will, in some way, affect us all. Bring your friends, your family and your neighbors, so that they can be informed on what this law means as well. An early RSVP would be greatly appreciated.
