

Bridging the Generation Gap: Focus on the Future

This is a great opportunity for you to learn about past, present and future trends of AAUW and our community. Donna Lilly will speak on better communication between all generations, what is of interest to all generations, and how we bridge the generation gap within AAUW. There will be a discussion and time for questions. Donna can answer questions about the State and National levels of AAUW.

Donna Lilly currently serves AAUW CA as college/university chair, helping branch members recruit 72 C/U partner campuses and 620 free e-student affiliates. She communicates daily with one or more of the 52 branch C/U chairs, assisting them in planning AAUW mission-focused events on campuses. Donna serves on the AAUW national C/U committee strategizing how to help members recruit new campus partners. Donna led AAUW CA as State President for a couple of years with Rita Wustner. She continues her interest in the mission through advocacy and education of women and girls of all ages and cultural backgrounds.

This is an inter-generational meeting, so we welcome your college age and older children, grandchildren, nieces, nephews and friends.
