

OUTLOOK FOR AAUW ISSUES IN CONGRESS

Legislative activism has a long history in AAUW. This month, we welcome Carolina

Krawiec, a staffer from Congressman Brad Sherman's San Fernando Valley office. Carolina will update us on the latest from the Capitol regarding issues most important to us as AAUW women and men. Will there ever be pay equity? What about violence and trafficking? Can we look forward to a time of true equity? And, what

about that National Women's History museum on the Washington Mall?

Questions, Questions, Questions! You will have your chance to ask Carolina specific questions during the Q&A session after her talk. And as we clarify what still needs to be accomplished, let us not forget to celebrate how much our lives have changed. Tell us your specific story of an *ah-hah* moment you experienced.

And finally, a shout-out to men like Congressman Brad Sherman for their help. Thank you again all of you "good guys." It has been a long road.
