

THE **JOY** OF POLITICS

For a fascinating inside look at the politics behind City Hall and insights on what it takes to get there, come hear our very own Joy Picus, former 3rd District Councilmember, tell how she transitioned from community activist and mother of three kids into one of LA's most accomplished elected officials.

Because of her many achievements, Joy has received numerous awards, including a Distinguished Alumna Award from the University of Wisconsin, being named a Woman of the Year in 1985 by Ms Magazine, and having the City Hall Child Care Center named for her.

Not only will you learn about the things that inspired and trained Joy to run for the 3rd District Council seat, and some of the ways that she has made a difference; but you will also hear first-hand stories about city hall politics and the people who govern our city.

Joy is a wonderful speaker. Her presentation will be interesting, humorous, educational, inspiring and just plain fun! We will also be installing next year's officers. Come support the hard working women of the board as we affirm their commitment to our branch. We hope you will join us!
