

# YES, ANOTHER ELECTION!

The League of Women Voters is ready to help!

You open your mailbox one fine fall day and there it is the newest, latest, up-to-the-minute ballot info for another election cycle. “Another election,” you think, “did we just not vote? And, wasn’t that only last month?” Then you relax. A League of Women Voters speaker will be featured at our October meeting with the League’s pros and cons presentation of the ballot propositions.

The League’s trusted, non-partisan, grass-roots leadership began in 1920, and they have become quite expert at reading between the lines and dissecting the real meaning behind the ballot propositions. And, they also wade through the financial records to find out who is paying to get your vote. Always interesting and informative, their speakers will have you understanding what you are voting for or against, exactly what your yes or no vote really means. Then the decision is yours.

Come get the scoop! Be an informed voter!
