

Off the Beaten Path

Our May speaker is Bronwyn Ralph, author of *Off The Beaten Path*, a guide to exploring the Cultural Landmarks, Historic Monuments and other points of interest in the San Fernando Valley. You will be amazed to learn about hidden historical treasures right here in the San Fernando Valley.

Bronwyn is a native of California who grew up in the San Fernando Valley. She was always interested in the cultural landmarks in the Valley and today she volunteers as a docent at the 1899-built Doheny Mansion.

“By taking an interest in visiting these historic sites, it almost guarantees that the preservation of these points of interest can be preserved for future generations,” she says.

Come hear Bronwyn as she shares her discoveries of interesting places to visit in our community! We will also be voting on next year’s Branch officers. Join us in electing the team that runs our Branch.
