

TECH TREK!

Our September meeting is our annual luncheon with our Tech Trek campers. This is always an inspiring meeting where you get to hear first-hand what a difference our Branch is making in the lives of young girls.

Once again, our Branch was able to raise the funds to send four girls to Tech Trek camp in Santa Barbara. Our Trekkers will describe their experience and tell how STEM camp has impacted their lives.

Mark your calendars and come and meet our 2019 campers: Emma Geller and Jamie Pugsley from Walter Reed and Alexa Bolanos and Lorelai Ruiz from Van Nuys MS. In addition you'll have the opportunity to meet with the school counselors who collaborated with us and are an integral part of the selection process. As AAUW members, we should be extremely proud and gratified to know that we are making a difference in the lives of young women by supporting Tech Trek.
