

San Fernando Valley History

We will take a trip back in time by visiting the Valley Relics Museum. This museum is a fun journey through the past culture of San Fernando Valley and surrounding areas. This one-of-a-kind pop culture museum features neon signs, classic cars, rare documents, yearbooks, restaurant menus, art, western clothing, vintage BMX bicycles, a playable retro arcade and much more!

Afterwards we will go to the 94th Aero Squadron restaurant for lunch. The 94th Aero Squadron is located in a charming French chateau complete with ivy covered walls, stone paths, plush gardens and a warm, inviting interior adorned with aviation relics and replica Warcraft. It overlooks the Van Nuys airport and visitors can watch the planes take off. It is handicapped accessible.
