

The November Ballot

We all know how important it is to VOTE! It is just as important to be an informed and intelligent voter with facts about the candidates and propositions on the ballot.

There are 12 State propositions on the Nov 3 ballot, on topics including bonds to fund stem cell research, funding for schools, voting age, rent control, who can be classified as a contractor, regulation of dialysis clinics, consumer privacy, and bail.

See page 4 for a (very) short description of each proposition and the position AAUW CA has taken on each one

AAUW-SFV has arranged for Fran Lapidès of the League of Women Voters to present the ballot propositions on the November Ballot. She will describe the propositions so you can understand the important parts, and you will have a chance to ask questions about any issues that are unclear.

The information presented will be unbiased and non-partisan. Come hear our presentation and become an informed voter. The facts, ma'am, just the facts!
