

# SOCIAL JUSTICE

## IS IT YOUR NEW YEAR'S RESOLUTION?

The social justice topics in the news in 2020 were many and varied, including voting rights, climate change, healthcare, the refugee crisis, racial injustice, the income gap, gun violence, food insecurity, and equality.

Our first program of the year will provide a retrospective on the major Social Justice issues of 2020.

We will discuss the events of 2020, what we would like to see change in 2021, and what the branch might do to help bring these changes about.
