

THE HOMELESS CRISIS

As of January 2020, over 65,000 people are homeless in Los Angeles County, a 13% increase from 2019. 50% of homeless women and children are fleeing domestic violence. The homelessness crisis across the Southland is becoming more pervasive by the day.

Our October speaker will be Irvin Parra, Director of Strategic Initiatives for Hope of the Valley Rescue Mission. He will provide us with information about homelessness and the Tiny Home Village project. The city of Los Angeles funded and built the Tiny Home Village project in an attempt to alleviate a homelessness problem that has been further exacerbated by the pandemic. We hope you will join us to find out more about this timely and important topic.
