

Observe Women's History Month with **Amelia Earhart**

Renowned aviator and former San Fernando Valley resident, Amelia Earhart, will be joining us as we celebrate Women's History Month. Described as "Fun, Daring and Determination sprinkled with shy reserve," Amelia became America's most famous heroine. But who really was Amelia Earhart?

Our guest speaker, actor and author, Roberta Bassin, has insights about Amelia she will share with you. Throughout her career, Roberta has emersed herself in all things Amelia and is the author and performer of a one woman show, entitled "Amelia Earhart: In Her Own Words." Roberta will be performing excerpts from her book and asking you to join in on the discussion.
