TECH TREK

Keeping with our annual tradition, September is Tech Trek time! At our meeting on Saturday, September 23, we will be hosting our 2023 Tech Trek campers and their guests. Our branch again sponsored four campers from Walter Reed Middle School. They attended Camp Blackwell in July on the campus of UC Santa Barbara. They are: Barlow Pasinski, Eunice Pineda, Elizabeth Rudolph and Madelynn Watts.

As you will see from reading the thank you notes that our campers sent to the branch, the socialization aspect of making new friends, living in a college atmosphere and working collaboratively with other campers has made a lifelong impact on our Teck Trekkers. Forensic science, coding and robotics, Astro/Aero science, and marine biology constituted the core subjects taught. The boat ride to the abandoned oil rig has become a favorite, especially when accompanied by dolphins.

Just completing its 25th year, Tech Trek has proven to be a monumental success for AAUW CA and the many branches that participate. You, our members, are part of the reason for this success through your generous financial support and dedication to our mission. THANK YOU!

This meeting is IN PERSON!

Saturday, September 23, 2023
11:30 PM

RSVP Required!

Fellowship Hall, Faith Presbyterian Church
5000 Colfax Avenue, Valley Village, CA 91601
(intersection of Colfax and Addison/church lot or street parking)

Luncheon will be catered by Mendocino Farms, with an array of hand-crafted sandwiches (including vegetarian), a variety of salads, dessert, and beverage. Cost $15.00 per person. **Please RSVP** to Ginny Hatfield by September 21 at ginnyaauw@gmail.com or 818-970-4577.
