

# A VISIT TO KENYA

We would like to start an international lunch group where people would share their travel experiences. To give you a taste of what this group might be like, this month our own Jackie Zev will be telling us about her two week safari in Africa this summer.

Come experience the people and animals of Kenya through her stories and pictures.

We provide some authentic African dishes as part of our lunch for you to get the “flavor” of African life.

This meeting will be in-person at Jackie’s house, but we will also provide a Zoom option.

We hope you can join us for this social and fun meeting! Bring your friends so that they can experience safari too!
