

Project 2025:

How it Would Impact AAUW Public Policy Priorities

Just before the fall elections, the California Online Branch hosted a webinar presented by the Public Policy Committee entitled *Project 2025 and How it Would Impact AAUW Public Policy Priorities*. Amy Hom, co-chair of AAUW California Public Policy, gave a brief overview of where Project 2025 came from, who the Heritage Foundation is, and what the project is broadly attempting to do. She then addressed specific parts of the project that would impact AAUW Public Policy Priorities, such as education, Title IX, reproductive health, and gender equity.

Now that the elections are over, understanding Project 2025 has become more important than ever. For our March meeting, we will view this webinar and discuss the information it presents.

You have the choice of meeting in person or on Zoom. If meeting in person, please RSVP by Thursday March 13 and select your lunch entrée.
